

IRVINE COVE - LAGUNA BEACH

Located between Emerald Bay on the Northern city limits of Laguna Beach, with homes North of the Highway and on the ocean side of the Highway connected by an underground tunnel.

Though seasons change, Irvine Cove, a highly enforced 24-hour guard gated community remains the same. An Exclusive family sanctuary featuring a sun drenched beach surrounded by cliffs for privacy.

Irvine Cove features some of the finest real estate along the "Gold Coast" but remains a closed community and protective of its privacy.

It is not unusual to see your neighbors around the community in their golf carts or enjoying the sparkling Pacific Ocean from the white secluded sandy beach or the lawn atop the bluff.

Irvine Cove is considered one of the most prestigious addresses on the "Gold Coast".
